

Tram service changes

Public Event

Date and time

Sunday 11 February, from 4.30am to last tram.

Reason for service changes

Extra trams will operate between the CBD and St Kilda, with service changes due to road closures associated with the Festival.

Service changes

Affected trams will operate with an 'a' alongside their route number to reflect the changes.

From first to last tram

Route 3a trams will operate between East Malvern and Stop 32 Havelock St near Luna Park.

Route 6 trams will operate in sections with no trams between Stop 8 Melbourne Central Station and Stop 14 Arts Precinct.

Route 12 trams will operate between Stop 122 Southern Cross Station and St Kilda. Victoria Pde and Collins St passengers can use Route 109 to connect.

Route 16 trams will operate in sections with no trams between Stop 30 St Kilda Junction and Stop 32 Havelock St near Luna Park. Extra services will operate between Melbourne Central Station and St Kilda Junction.

Route 72 trams will operate between Camberwell and Stop 14 Arts Precinct.

From 4:30am to last tram

Route 96 trams will operate between East Brunswick and Stop 132 St Kilda Station. Extra trams will operate between Melbourne Museum and St Kilda Station.

From 11am to 11 pm

Route 67 trams will operate extra services between 11am and 11:30pm. Every second service will operate between Melbourne University and Stop 38 Brunning St to service areas of high demand.

From 4pm to last tram

Route 5 trams will operate between Malvern and Stop 38 Orrong Road. Passengers can change to Route 64 to continue their journey.

Other routes:

Route 64 trams will operate as normal, but to a higher frequency during peak periods.

During these changes, trams will operate to a higher frequency than usual; however, some trams will only operate along part of the route to service areas of high passenger demand.

We recommend you allow extra time for your journey.
